Dear Returning Vendors,

Greetings from the Little Falls Area Chamber of Commerce! We hope that you had a successful 2009 Little Falls Arts & Crafts Fair with us and are interested in being part of the 38th annual event to be held September 11 & 12, 2010.

As a returning vendor, you are familiar with the process. We need to have your completed 2010 application with all fees by **March 19, 2010**. Submit photos only if your merchandise line has changed from last year. As always, there will be on-site jurying during the Fair for compliance and acceptance into the 2011 Fair.

As always, we pride ourselves on having handcrafted items. All of your product must be made by you. Do not bring merchandise made by others or items you have purchased for resale. Please refer to the 2010 Rules & Regulations as you complete your application form.

To register for the 2010 Fair

- ◆ Complete your application
- ◆ Sign your application
- ◆ Send appropriate fees
- ◆ Mail this application in a white #10 (4"x9½") envelope with your name and return address clearly printed on the front top left corner.
- ◆ Postmark your application by **March 19, 2010**. Applications postmarked after this date cannot be guaranteed a license for the 2010 Fair. **Helpful Hint:** Do not wait until the deadline to mail your application, as there will be no time to make any needed corrections.

Please remember to notify us if you add new items to your booth before the Fair.
Send us photos of those items with a written description by July 30, 2010.
The jury will need accurate information when reviewing your booth during the Fair
