

Policy: Firearms in Chamber Offices and at Chamber Events

PURPOSE:

The Little Falls Area Chamber of Commerce wishes to provide a safe and secure environment for its employees and members. Possession of firearms is not congruent with this desire.

PROCEDURE:

In compliance with Minnesota State statute, persons entering the Chamber offices and Santa House or attending Chamber sponsored events will be notified that firearms are not allowed. Any person (who is not an on-duty law enforcement officer) found to be carrying a firearm within the Chamber offices or Santa House or at a Chamber sponsored event will be asked to remove the firearm from the premises.

The Little Falls Arts & Crafts Fair is not included in this policy as it is conducted outside in an area without controlled entrances and in areas designated as parking areas.

Adopted by the Board of Directors on July 10, 2003
