MAY/JUNE 2009

Chamber of Commerce 2008 Award Recipients

The Little Falls Area Chamber of Commerce awarded its annual awards for a Small and Large Business of the Year and a Volunteer of the Year within the Chamber community at the Annual Meeting held March 17.

As a means of acknowledging the contributions of businesses and individuals that have gone above and beyond the expected, the Chamber is pleased to make the following designations:

The 2008 Small Business of the Year was awarded to **Century 21 New Horizons Realty**. Century 21 New Horizons Realty is owned by Tom Scherling, Marv & Connie Hoheisel. Tom, Marv and Connie have gone above and beyond in giving to the Chamber of Commerce, area nonprofits and the various community organizations. As small business owners, they take their personal commitment to their employees and their role in the community very seriously, striving to make the community better because of their presence.

The 2008 Large Business of the Year is **Coborn's Superstore**. Coborn's Superstore continues to provide outstanding community support through all levels of giving from product to the donation of time from all employees. Coborn's is a shining example of community involvement, serving on Chamber and nonprofit boards and committees, promoting the betterment of the community.

The 2008 Volunteer of the Year is Sister Mary Lou Eltgroth, **Franciscan Sisters**. Sister Mary Lou has been a volunteer for the Little Falls Arts & Crafts Fair for the past 11 years while serving on the Arts & Crafts Fair Council for 6 of those years. Sister Mary Lou continues to support the Arts & Crafts Fair by working with existing and new volunteers ensuring each volunteer has a favorable experience. Sister Mary Lou continues to share her time and talents with many other community organizations in addition to the Little Falls Area Chamber of Commerce.

Awardees met established criteria for nomination. Recipients were nominated by their peers with the final determination made by the Chamber's Outstanding Service Committee. Winners received a plaque noting their award and have been included on permanent wall plaques in the Chamber office.

Pictured are 2008 Board Chair Col. Richard Weaver passing the gavel to 2009 Board Chair Sandy Smith at the Annual Meeting.

Meet Me @ the Chamber

has found a permanent time slot on cable access channel 6 in Little Falls. Tune in every Friday at 2:00 and 7:00 p.m. to see which Chamber businesses are being highlighted this month. The Meet Me @ the Chamber programming is an added value to your Chamber membership. Each month 2 members are highlighted in a 10 minute segment. Completing the program is an interview with the Employee of the Month.

If you are interested in getting on the schedule to have your business highlighted, please contact the Chamber. Thank you to Jerry Abraham, Central MN Access Television, for providing this opportunity.

Market Your Business Directly to 600 Arts & Crafts Fair Vendors!

As a means of welcoming the vendors to our Fair, the Chamber will be providing a "Welcome to Little Falls Arts & Crafts Fair" packet. This packet will contain flyers, coupons and promotional materials from local businesses like yours! List your special Fair weekend hours, provide a 2 for 1 coupon, food specials, invite them to your store or booth for a vendor-only special or percentage off of an item. Cost is \$15 for Chamber members and \$40 for non-Chamber members. Participants will need to provide the Chamber with 600 copies of the promotional item not to exceed 8.5" x 11". Recommend using ¼ or ½ page flyers/coupons. Deadline for submitting the 600 copies of your insert is Friday, August 7th. Contact the Chamber for more information at 632.5155.

Legislative Update

Your Chamber of Commerce will once again sponsor a legislative update once the legislative session has adjourned. Watch for details.

From the Desk of the CEO - Debora K. Boelz

Greeting from the desk of the CEO! Happy Spring! As I write this, just the faintest sign of green buds are forming on my lilac bushes and the pending leaves on the Weeping Willow across the street will pop any day. Can the smell of fresh mown lawns be far behind?

Watch for new entry signs along Highway 10 in Little Falls!

As a collaborative effort with the Convention & Visitors Bureau (CVB), the Chamber is taking leadership in replacing the existing signs with granite signage from Little Falls Granite Works. The new signs will include the new marketing tag line developed by the CVB proudly stating "Where the Mississippi Pauses". Funding for this project includes \$5,000 from the Chamber; \$10,000 from the Restaurant & Lodging Tax fund; and \$100 from the Dandee Lions. It is anticipated that other service organizations in the area will be contributing as well.

Membership renewal time is approaching. Watch your mail box around June 1st for your invitation to renew your membership with the Chamber. In these interesting economic times, maintaining your membership with organizations like a chamber is more important than ever. There is no anticipated increase in dues again this year – which means there has been no increase since 2005 – making your Chamber membership a 'heck of a deal'.

Chamber membership stands at 350 at this time. We ended our last membership year with 344 members, so businesses that are new to the area or are looking to expand their potential client/ customer list are stepping up.

I certainly appreciate those members who place such a high value on their Chamber membership that they help others in the community enjoy the benefits of being part of the Chamber as well. As a donation to a non profit, it is not uncommon for another Chamber member business to pay the dues for these organizations. A new business in town recently had their dues paid by another Chamber member as a welcome to the community gift. This is a great idea! Thank you for being creative and valuing the work of the Chamber.

Spring Clean-Up: As the summer tourist season is upon us, I encourage business owners to make our community as welcoming as possible. This welcome can come in many forms from good customer service to the overall impression of our community. Having employees who are knowledgeable about what the area has to offer in the way of attractions certainly is the first step. This welcome goes deeper than the face-to-face contact. Is the area immediately surrounding your business clean and free of hazards? Look at our community with the eyes of a visitor. Take the time to pick up a piece of litter on the sidewalk or parking lot, do a 'once around' your property and neighborhood and spruce things up!

If the preceding paragraph sounds familiar, it should. I have used it word for word from past year's newsletters. The classic soap box speeches never go out of style!

In closing, we are taking the summer off with scheduled Business After Hours events. Attendance in past years has been low during June, July and August. We will still have Friday Morning Coffee to keep people connected as well as the Golf Outing on August 3rd. Starting in September, we will be back with full programming – enjoy the summer!

Leadership LindyLand Graduation

The eighth Leadership LindyLand Class will graduate Wednesday, June 10. The afternoon celebration will begin at noon at the Little Falls Area Chamber of Commerce, 200 1 St. NW. Congratulations to the following Leadership LindyLand graduates:

Arts & Crafts Fair Volunteers Needed

Be part of the Arts & Crafts Fair festivities September 12 & 13 by being a block host. Block hosts greet and welcome crafters to Little Falls, ensure that crafters are comfortable with their surroundings and ready to sell their merchandise. Block hosts are an essential part of the Little Falls Arts & Crafts Fair and are well received by our hundreds of vendors. If you only have a few hours or the whole weekend to block host, contact Gina at the Chamber 320.632.5155, Sr. MaryLou Eltgroth at 320.632.2981 for more information.

March/April Leadership LindyLand Session

Pictured are Janelle Fitch, Perkins Restaurant & Bakery and Lori Stang, Linden Hill Historical Event Center in the environmental room at Camp Ripley.

April we focused on tourism in Morrison County and Camp Ripley. The 12 Leadership LindyLand participants enjoyed tours of the Minnesota Fishing Museum, Little Elk Heritage Preserve and Camp Ripley.

The March 18 Leadership LindyLand Session took us to the State Capitol for Business Day at the Capital, sponsored by the Minnesota Chamber of Commerce, for a day of learning about the Minnesota legislative process. We began our day in the true spirit of politics by hearing from both the Senate majority and minority leaders. In addition the Minnesota Chamber lobbyists provided us with background information on a number bills before the legislature this session. Thank you to Representative Al Doty and Senator Paul Koering for taking a few minutes away from their busy schedule to talk with us and the Minnesota Chamber for arranging the day for us. We are looking forward to participating again next March.

Thank you to our day chairs: Nan Brossoit, Morrison County IT Department; Aaron Olson, Kinship of Morrison County; Carolyn Suska, Morrison County Public Health.

Business After Hours

May Business After Hours

May 5, 2009

4:30 – 6:00 p.m.

Sponsored by: **Gumdrop Tree**

Location: Gumdrop Tree,

53 E Broadway, Little Falls

Please note that we take a summer vacation from Business After Hours for the months of June, July and August. We will resume regularly scheduled Business After Hours in September 2009.

Project Another Day

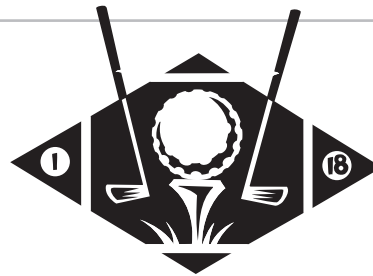

The object of Project Another Day is to provide first response kits to victims of devastating events such as fires, accidents and tornadoes. These kits will help to bridge the gap until additional help can be provided. There are approximately 100 of these types of tragic events in Morrison County every year and our goal is to put together 250 kits. These kits will be distributed to those who need them the most, individuals affected by a devastating life event.

This is where we need your help. Leadership LindyLand is soliciting donations (monetary or products) in order to create these kits. No amount of help is too small to someone who has lost everything. In order to recognize the generous supporters of Project Another Day, an index of all contributors will be included in each kit. Contributors will also be recognized in any marketing materials associated with the project.

If you have any questions or would like more information about Project Another Day, please contact Doug Dahlberg at (320) 631-1275 or Patricia Dumonceaux at (320) 632-0364. Or if you would like to contribute to Project Another Day simply mail your contribution made payable to the Chamber of Commerce, 200 1 St NW, Little Falls MN 56345.

Contact legislators now with your priorities

By David C. Olson

The legislative remedies to the looming shortfall in the state's general fund will have long-term implications on the ability of Minnesota businesses to compete in the worldwide marketplace. It's critical that business leaders contact their lawmakers now as the Legislature marches toward adjournment.

Minnesota, like most other states in this national recession, faces a daunting challenge. The state's general fund has a projected \$4.6 billion shortfall for FY 2010-2011 – \$6.4 billion if \$1.8 billion of federal stimulus money for Medical Assistance is not counted. The challenge will likely be equally difficult in balancing the books for FY 2012-13.

Two messages should be at the forefront as you visit with legislators:

No. 1: Balance the budget without enacting general-fund taxes that would be detrimental to all Minnesotans, and especially the business community.

No. 2: Finish its work by the scheduled May 18 adjournment of the regular session.

Some lawmakers cast votes with one eye on the next election. We cannot afford to tackle this financial crisis with that mindset.

Minnesota is beginning a period of rapidly changing demographics where the growth in the aging population (read: those individuals demanding more government services) will significantly outpace growth in the working population (read: those individuals paying taxes to support the government services). The dynamics necessitate that government seeks greater efficiencies in its operations and focuses on truly statewide priorities.

Legislators must craft a solution with an eye toward strengthening Minnesota in the global economy. The task should be accomplished through spending cuts

and reforms. The shrinking economy emphasizes the need to restrain state spending and pursue strategic tax reductions that will encourage business investment and create jobs for Minnesotans.

The Minnesota Jobs Recovery Act proposed by Gov. Tim Pawlenty identifies key measures for keeping Minnesota businesses competitive. Among its chief components: Reducing the corporate income tax rate; changing the capital equipment sales tax refund to an up-front exemption; creating the small business investment act; and allowing immediate expensing of qualified purchases.

The Minnesota Chamber and our local chamber partners across the state have aggressively lobbied our agenda. Legislators now must hear from those individuals who work in the trenches daily to preserve and grow their operations. Business leaders are in the best position to provide specific examples of the impact of existing Minnesota taxes – and proposed tax increases – on their companies and their employees

Legislators also must hear that there's no reason to go into overtime to solve the shortfall. Both sides have staked their positions; everyone has a clear picture of the economic circumstances and the decisions necessary to move forward. There's ample time to reach compromise in these final days.

We all appreciate the financial challenges facing Minnesota. At the same time, it's imperative that we don't take action that will diminish business investment and depress job creation. Thanks for your support during these challenging economic times. Working together, I'm confident we can present a unified business voice at the Legislature and protect our ability to compete in today's global marketplace. .

David Olson is president of the Minnesota Chamber of Commerce. For more information, visit the Web at www.mnchamber.com.
